July 2025 Edition

## Message From Chairman's Desk : Working Together For A Better Water Future

Dear Readers,

This month has been truly meaningful for us at Microfilter Polymers Ltd. as we had the honour of representing our company at two prestigious national forums focused on India's water future.

We proudly participated in the 1<sup>st</sup> ASSOCHAM National Council on Water Meeting for FY 2025–2026, held in New Delhi on 17.07.2025 at Assocham Headquarters. Alongside my colleague, our CEO Dr. Prashant Agrawal, I had the opportunity to connect with industry experts, policymakers, and innovators. The discussions highlighted the urgent need for water conservation, reuse, skill development, and the role of advanced filtration technologies in building a stronger water ecosystem.

We were also privileged to take part in the Corporate Philanthropy Conclave & Leadership Summit 2025 at IIM Nagpur on 27.07.2025, where I joined as a panelist to speak on the theme:

*"Water Management as a Catalyst for Economic Prosperity."*

### These platforms offered a powerful reminder:

Clean water is not just a necessity — it's a driver of growth, health, and prosperity for our nation. At Microfilter Polymers Ltd., we are proud to contribute to this vision through innovation, responsible practices, and strategic partnerships. We thank ASSOCHAM, IIM Nagpur, and the Crowdera Foundation for creating such impactful and forward-looking forums.

Together, let's keep working toward the dream of a Viksit Bharat @2047 — a water-secure, sustainable, and inclusive India.

Warm regards,  
Mr. Shailendra Mangal  
Chairman  
Microfilter Polymers Ltd.

## Message From the Whole-Time Director: Quality First – Our Unwavering Commitment

Hi Team,

I want to discuss a very important topic: **Quality**. It's more than just a term we use, it's how we operate and the reason why so many clients trust Microfilter from last 15 years.

In modern world, quality is essential. It is about doing our jobs at best so our clients are satisfied. It contributes to the development of our solid reputation and long term relationships.

From planning and production to delivery and support, each of us contributes in maintaining high quality. Every action count and every small efforts have a significant impact.

### Choosing quality helps us:

- Keep our customers satisfied.
- Build our brand because people know us for good work.
- It builds a strong team and culture.
- Feeling proud of what we do.
- Saving time and effort because it's simpler to do it correctly.

Let's continue putting "Quality First" in all that we do. Let's strive for daily improvement and excellence.

We appreciate your hard work and maintaining our high standards.

With appreciation,

Mrs. Ritu Mangal

Whole-Time Director

Microfilter Polymers Ltd.

## Birthday Celebrations of Whole-Time Director Mrs. Ritu Mangal

The Microfilter Polymers limited family joyfully came together to celebrate the birthday of our respected Director, Mrs. Ritu Mangal.

Her inspiring leadership, dedication, and compassionate nature continue to motivate and guide us every single day. On this special occasion, the entire team extended heartfelt wishes and warm regards, making it a memorable celebration filled with happiness and unity.

From cake-cutting moments to cheerful smiles and words of appreciation, the celebration reflected the love and respect we all share for her.

"A true leader touches lives not just with decisions, but with kindness, vision, and encouragement." Wishing Ritu Mangal Ma'am a wonderful year ahead, filled with good health, continued success, and happiness.

## Quote Of Month

*"Access to safe water is not just a need - it's a human right."*

## CA Day – Honouring The Pillars Of Financial Integrity

CA Day – Honouring the Pillars of Financial Integrity

1<sup>st</sup> July marks Chartered Accountants Day. On this special occasion, we recognize and appreciate the relentless efforts of Chartered Accountants who uphold the principles of accuracy, accountability and trust in every aspect they are associated with us.

Their expertise not only strengthens our businesses but also ensures financial integrity.

A heartfelt salute to all CAs for being a guiding force for us.

- CA Hitesh Khetan
- CA Sandip Rathi
- CA Anupam Bhusari
- CA Aniruddha Kavindam
- CA Abhishek Jhunjhunwala
- CA Ashish Jain

Happy CA Day!

## UF Membrane

### Features

- Filters particles as small as 0.01 microns.
- No chemicals needed for operation.
- Fast filtration with high flow rate.
- Retains essential minerals.
- Energy-efficient, no electricity required.

### Advantages

- Removes bacteria and viruses effectively.
- Requires minimal maintenance.
- Eco-friendly with no wastewater produced.
- Compatible with low-pressure systems.
- Compact and space-saving design.

## Microfilter Polymers Limited

### 1<sup>st</sup> ASSOCHAM National Council on Water Meeting – FY 2025–2026

#### Driving Sustainable Water Solutions Together

We are proud to share that Microfilter Polymers Ltd. participated in the 1<sup>st</sup> ASSOCHAM National Council on Water Meeting for FY 2025-2026, held in New Delhi on 17.07.2025 at Assocham Headquarters, a high-impact platform committed to advancing innovation, skill development, and regional collaboration in India's water sector.

Representing Microfilter Polymers Ltd. at the forum were Chairman, Mr. Shailendra Mangal, and CEO, Dr. Prashant Agrawal, who joined industry leaders, policymakers, and innovators to shape strategic, technology-driven solutions for a water-resilient India.

The Council Meeting Highlights Included:

- ◆ Emphasis on conservation and efficient water reuse
- ◆ Calls for structured skill-building and gap assessments to support startups and youth
- ◆ Strengthening public-private partnerships for scalable solutions
- ◆ Mainstreaming sustainability and showcasing impactful industry practices
- ◆ Innovation in water treatment and membrane filtration technologies

We extend our sincere thanks to ASSOCHAM for organizing this influential gathering and getting all the industry stalwarts under one roof for spotlighting the urgent need for sustainable water stewardship.

Microfilter Polymers Ltd. remains steadfast in its commitment to drive purposeful change through innovation, responsibility, and shared vision. We are proud to contribute as an active member of the Water Council in shaping a more resilient water future.

### 1<sup>st</sup> ASSOCHAM National Council on Water Meeting – FY 2025–2026

## Message from Mr. Narendra Meshram – Floor Manager

"मैं, नरेंद्र मेश्राम, पिछले 20 वर्षों से माइक्रो फिल्टर पॉलिमर्स लिमिटेड के साथ जुड़ा हूँ। यह सिर्फ एक नौकरी नहीं, बल्कि मेरे जीवन का अहम हिस्सा बन गया है। यहाँ काम करते हुए मुझे हमेशा ऐसा महसूस हुआ कि मैं एक परिवार का हिस्सा हूँ — जहाँ अपनापन, सहयोग और सम्मान हमेशा साथ रहा।

इन दो दशकों में मैंने बहुत कुछ सीखा – मशीनों से लेकर मानवीय मूल्यों तक तकनीकी ज्ञान के साथ-साथ मैंने टीमवर्क, समय की पाबंदी, अनुशासन और जिम्मेदारी की भावना को गहराई से महसूस किया। नई तकनीक के साथ मुझे हमेशा कुछ नया सीखने को मिलता है, और हर चुनौती एक नया अनुभव देती है। मैं कंपनी के नेतृत्व और पूरी टीम का दिल से आभार व्यक्त करता हूँ, जिन्होंने हमेशा मुझ पर विश्वास किया और मुझे आगे बढ़ने का अवसर दिया। मुझे गर्व है कि मैं ऐसी संस्था का हिस्सा हूँ, जो गुणवत्ता, ईमानदारी और कर्मचारियों के सम्मान को सबसे ऊपर मानती है।

"मैं दिल से अपने सर का धन्यवाद करता हूँ, जिन्होंने मुझ पर विश्वास जताया और मुझे इस कंपनी का अहम हिस्सा बनने का अवसर दिया।"

श्री नरेंद्र मेश्राम,

फ्लोर मैनेजर

माइक्रोफिल्टर पॉलिमर्स लिमिटेड

## Birthday Celebrations

### Ms. Kiran Pande - Account Executive

The Microfilter team came together to celebrate the birthday of our dedicated Account Executive, Ms. Kiran Pande with great enthusiasm and joy.

Kiran's commitment, attention to detail, and team spirit make her an integral part of our organization.

On her special day, the team expressed their appreciation with warm wishes, smiles, and a sweet celebration filled with positivity and laughter.

"Teamwork shines brighter when we celebrate the special moment of people who make it special."

Wishing Ms. Kiran Pande a fantastic year ahead full of happiness, success, and good health.

### Mrs. Reena Khotele - Office Assistant

This month, we came together to celebrate the birthday of our ever-smiling and hardworking Office Assistant, Mrs. Reena Khotele. She has always been a vital part of our daily operations, helping things run smoothly with dedication, positivity smile.

"The small celebration was filled with warm wishes, laughter, and of course, cake!"

We thank Mrs. Reena Khotele for her continuous support and wish her good health, happiness, and success in the year ahead.

Happy Birthday once again!

## Employee Of the Month : Mr. Narendra Meshram - Floor Manager

We are proud to recognize Mr. Narendra Meshram as our Employee of the Month! Working with Microfilter Polymers Limited for the last 20 years, Mr. Meshram has been a pillar of strength and reliability in our production team. As Floor Manager, his leadership, discipline, and commitment to operational excellence have played a key role in our growth.

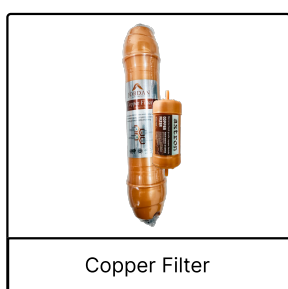

His deep experience and calm, focused approach continue to inspire everyone around him. "20 years of dedication, and still leading with passion — Mr. Narendra Meshram sets a shining example for us all."

Congratulations, Mr. Narendra Meshram, Your journey and contribution truly deserve this recognition.
