

NEWS LETTER

October 2025 Edition

From The Chairman's Desk:

Sharing this amazing moment with all of us at Microfilter makes me feel so proud and happy. At the Dr. A.P.J. Abdul Kalam Inspiration Awards 2025, which took place on October 9, 2025, at Hotel the Lalit in New Delhi, our organization was honored with the title of "Best Water Treatment Systems Manufacturer of the Year."

This award is a celebration of our people, not just of our technology or products. This achievement would not have been possible without the commitment, creativity and cooperation of each and every one of you. By working together, we have realized our common goal and established new standards for environmental sustainability and water treatment excellence.

My sincere appreciation goes out to the Dr. A.P.J. Abdul Kalam Inspiration Awards Committee for this honor, as well as to all of our clients, associates and supporters for their unwavering faith and support. Above all, I want to express my gratitude to the entire Microfilter family for their dedication and passion, you are the real reason for this success.

Let us take this opportunity to honor our group's achievement and allow it to motivate us to set even greater goals. There are countless opportunities ahead and I have no doubt that working together, we will keep improving both the environment and ourselves.

Wishing you and your families a very Happy and Prosperous Diwali!
May this festival of lights bring joy, success and new beginnings for all.

With warm regards and heartfelt thanks,
Mr. Shailendra Mangal

Message from the Whole-Time Director

Dear Team

The start of October brings with it the joy and excitement of our loved festivals, Dusshera and Diwali. During the festive season, I wish you and your families a lot of happiness and health. These festivals remind us of how strong light and positivity are and how good always wins over evil. These are also the values that help us as a company work together, be honest and hope for a better future.

October is a month of celebrations, a time to get together, share happiness and be thankful for everything we've done together. We had a great time celebrating these festivals at Microfilter this year. Our offices were decorated with lights and colors, we shared sweets and everyone came together to spread happiness and festive cheer.

As we progress toward new goals and achievement, let's maintain this spirit of unity and positive thinking throughout the year.

Milestone Highlight:

Our recent post, "From Problems to Perfect Solutions!", made waves with over 784K views on Instagram, 245K views on Facebook and 10K views on YouTube - showcasing how Microfilter's innovation, leadership and end-to-end water treatment expertise are capturing attention and trust across the industry!

Wishing you all a very Happy Dusshera and a Bright, Prosperous Diwali!

Warm regards,
Mrs. Ritu Mangal
Whole-Time Director
Microfilter Polymers Ltd.

Proud Recipient of the DR. A. P. J. ABDUL KALAM INSPIRATION AWARDS 2025 for "BEST WATER TREATMENT SYSTEMS MANUFACTURER OF THE YEAR"

We feel privileged to announce that Microfilter Polymers Ltd. has been awarded the Dr. A. P. J. Abdul Kalam Inspirational Award 2025 for "The Best Water Treatment Systems Manufacturer of the Year."

This prestigious recognition celebrates our continuous commitment to innovation, sustainability and excellence in the delivery of advanced water management solutions, thereby empowering communities and industries alike.

This award was received by our CMD, Mr. Shailendra Mangal and Whole-Time Director, Mrs. Ritu Mangal, who proudly represented Microfilter Polymers Ltd. at the award ceremony

Their presence itself reflects the vision, leadership and dedication that have always been the driving force behind our success. The award bears the name of Dr. A. P. J. Abdul Kalam, reflecting the spirit of innovation, integrity and service to humanity in a way that is profoundly in tune with our mission. At Microfilter Polymers Ltd., we have always believed that access to clean and sustainable water is not just a need but an obligation.

This award reaffirms our vision to create technology that not only enhances efficiency but also preserves our planet's most precious resource - water.

We would like to dedicate this achievement to our customers, partners and the amazing team whose tireless passion, hard work and belief in innovation have made this possible.

Together, we continue to build solutions that make a lasting difference-for people, for industries and for the environment. As we celebrate this milestone, we remain inspired by Dr. Kalam's ever-inspiring words:

"Dream, dream, dream. Dreams turn into thoughts and thoughts lead to action.

Here's to transforming dreams into sustainable solutions for a better tomorrow.

Dushera 2025: Spreading the Joy of Victory, Hope and Clean water this Dushera

Dushera reminded us that evil never triumphs over good. It encouraged us to confront challenges with courage, simplicity and a new sense of purpose.

In the water sector, we at Microfilter Polymers Limited set the example by solving problems creatively, with integrity and a commitment to getting clean, safe water to everyone. During the festive times, we celebrated purity in our thoughts, actions and the water that we offer and protect, as well as victory and hope.

We wish all of yours Dushera was blessed with prosperity, knowledge and the happiness of having safe, clean water to access!

Wishing you and your family a Happy and Prosperous Dushera!

Team Microfilter Polymers Ltd

Alkaline Filter

The Microfilter Alkaline Filter enhances purified water by restoring essential minerals and improving its pH balance. It delivers clean, healthy, and great-tasting alkaline water that supports overall well-being.

Key Features & Benefits:

- Balances pH and makes water alkaline
- Adds minerals like calcium and magnesium
- Improves hydration and digestion
- Boosts energy and metabolism
- Enhances taste with natural minerals

Microfilter at the 12th India CSR & ESG Summit 2025

Microfilter recently had the honor of exhibiting at the 12th India CSR & ESG Summit 2025, which took place at the Hotel Pullman in New Delhi from October 8–9.

Connecting with business executives, sustainability pioneers and changemakers while showcasing our cutting-edge water purification solutions was a rewarding experience. One drop at a time, we are working together to create a cleaner, greener and more sustainable future.

We were thrilled by the positive response from attendees, who showed great interest in our solutions and initiatives. The Summit also provided a valuable opportunity to exchange ideas, explore collaborations and learn from other leaders in the CSR and sustainability space.

We are sincerely grateful to CSRBOX for their excellent arrangements and support, which made the event a great success.

Microfilter – Committed to Creating Sustainable Impact.

Birthday Celebration : Mr. Nishant Chaoji - Senior Sales Executive

On this special day, we join together to celebrate Mr. Nishant Chaoji, our talented Senior Sales Executive. Nishant's unwavering dedication, sharp business insight and commitment to excellence have made a lasting impact on our sales team and organization as a whole.

Known for his professionalism, positivity and team spirit, Nishant continues to inspire those around him with his drive to achieve results and his ability to build strong, lasting relationships with clients and colleagues alike.

As we celebrate his birthday, we extend our heartfelt wishes for a year ahead filled with success, good health and happiness.

Happy Birthday, Nishant!

Here's to another year of achievements and memorable moments!

Diwali 2025 at Microfilter!

This Diwali, Microfilter celebrated with joy, togetherness and festive spirit!

The celebrations began with a Laxmi Pooja at our factory, seeking blessings for prosperity and success.

We also celebrated with all our staff and factory team, sharing laughter, sweets and moments of happiness. It was a time to honor teamwork, dedication and the spirit of family that makes Microfilter shine.

The festival was also an opportunity to reflect on the achievements of the past year and look forward to new opportunities, growth and success together. Diwali 2025 was truly special, filled with joy, togetherness and celebration.

Wishing everyone a safe, prosperous and joyful Diwali!

Employee of the Month – Mr. Sharad Dixit (Dispatch In-charge / Material Logistics)

We are delighted to announce Mr. Sharad Dixit as our Employee of the Month for his exceptional dedication, efficiency and leadership in the Dispatch and Material Logistics Department.

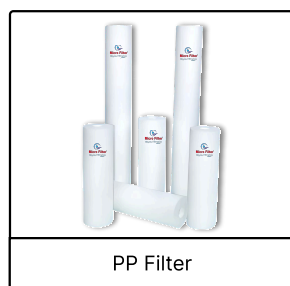

Mr. Dixit has continuously shown exceptional performance in keeping thorough records, ensuring the timely and easy dispatch of materials and collaborating with multiple departments. His proactive approach and capacity for problem-solving have greatly enhanced overall operational effectiveness and reduced delays.

Known for his professionalism, teamwork and commitment to excellence, Mr. Dixit sets a remarkable example for others to follow. His attention to detail and strong sense of responsibility ensure that every task is executed with precision and reliability.

We truly value Mr. Dixit's diligence and upbeat personality, which motivate his coworkers and improve our workplace culture.

Congratulations, Mr. Sharad Dixit, on this well-deserved recognition!
